

Ecology Agriculture Trade, Inc. (EAT) Capability Statement

Technology | Agritourism | Farm-to-Table

Ecology Agriculture Trade, Inc. (EAT) offers agriculture technology, agritourism, farm-to-table, services, and service-learning virtually or in person for socially disadvantaged producers in underserved communities. Our indigenous women-owned, experiential farm is in a sacred retreat space in Redlands, Florida. Our cutting-edge technology, online social community, and international marketplace, www.MyEcoHive.com organize and mobilize the agriculture sector by farmers, educators, vendors, and skills. Our portal offers a safe space for members to network and inter-trade with like minds in an interactive space. As a minority, indigenous, woman-owned small business, EAT is committed to excellence and creating innovative technologies and flexible solutions for our local, federal, and international clients.

What sets EAT apart from the competition?

- Cutting-Edge Technology & Software Connecting the Agri-business Sectors
- Digital TV Network Inspiring a Clean, Green & Healthy Life
- International Members in a Subscription-Based Portal
- Strategic Mix of Agritourism Fusing Permaculture with The Arts
- Service-Learning, Cultural Exchange & Training
- Construction of Tiny Homes & Eco-Friendly Habitats

Core Capabilities

Digital TV Channel

EAT Presents My Eco Hive Channel inspiring a clean, green, and healthy life. We've fused two niche markets, the indigenous and eco-friendly areas to offer creative solutions for networking with like mind and knowledge-based learning in a digital space. Our digital stream focus on educating and informing the wider audiences and subscribers of the importance of fostering healthy communities, recycling, conservation, and preservation. We offer content linking resources and tools to build healthy communities, create wealth and manage finances.

Our services include:

- Sustainable Content Creation
- Advertising & Marketing Solutions
- Multimedia & Video Production
- Public Service Announcements (PSA's)
- Agribusiness Digital Newsletter
- Business Consulting & Branding

Agritourism & Farm to Table

Our Agritourism and Farm to Table services offer a more eco-friendly and immersive way to travel and develop rural areas. We provide value-added wellness services and access to find

accommodations for members and families to retreat and heal in tranquil and safe spaces. These green spaces host customized retreats and use farm-to-table as an experience to offer delicious ways to prepare healthier meal options.

Our services include:

- Farm Camps & Stays
- Farm Tours & U-pick
- Farm-to-table Dining
- Equine & Garden Therapy

Service Learning & Cultural Immersion

Our Cultural Immersion services advance learning in a robust ecosystem to improve academic outcomes. We connect regional and international food communities in rural and urban areas. We aim to improve income, economic opportunities, and pandemic recovery for socially disadvantaged students and producers in underserved communities.

Our service includes:

- Training & Career Development
- Mentorship
- Problem-Solving
- Temporary Student and Farm Labor Accommodation

Federal Certification

- US Government Contractor

Non-Government

- NMSDC-The Minority Supplier Development Council - MD/DC MSDC (MBE)
